RE: American Recovery and Reinvestment Act of 2009 (ARRA), "Buy American" Provision Compliance

Dear Valued Partner,

SMA products produced at the SMA manufacturing site in Denver, Colorado meet the guidelines for the Buy American provision of Section 1605(a) in the ARRA.

Currently, the following Sunny Boy product models are compliant with the ARRA Buy American clause: SB3000US, SB4000US, SB5000US, SB6000US, SB7000US, SB8000US and SMA-Manufactured Combiner Boxes.

In addition, SMA Denver is currently manufacturing the Sunny Central SC630HE-11 at this facility and is ARRA compliant. Further, the SC500HE-US is currently being ramped for production at the SMA Denver facility. The plan is to have the SC500HE-US ARRA compliant and available for production late Q4 2010 or Q1 2011.

These products manufactured by SMA Denver will be specially labeled to indicate "Assembled in the U.S./ARRA Compliant."

Parties interested in obtaining ARRA Compliant SMA products should submit the request through their preferred distributor or their SMA Sales Manager.

Regards,

A handwritten signature in black ink that reads "David Wojciechowski". The signature is written in a cursive, flowing style.
